The Chairperson IQAC Dr. Saha said that the college is planning to spread its wings by opening a B.A section, so that in future the college can go for integration of B.Ed-B.A. In support to this, Dr. Azad opined that the college should proceed with this noble idea of introducing B.A course alongwith existing B.Ed and asked Dr. Saha to take immediate steps so that the college can run the course immediately from the next upcoming session.

Resolution:

Dr. Saha said he will soon talk to the Registrar of Gauhati University for its permission to introduce B.A course in the campus of NAMCE. All the members agreed to it and supported Dr. Saha for spreading its wings by opening the B.A section in the campus.

In this regard, Mr. Shahinoor Alam suggested a name viz., Adopt A Tree- A Green Initiative which was accepted by the board members. Dr. Saha asked the members in the board to go for slogans or sign boards which will emphasise our Adopt A Tree-A Green Initiative campaign i.e mass plantation of trees. In this regard, Mr. Ranjit Kumar Singha said that if the college would go for poster making activity by students on related to environment activities then this would inculcate the knowledge for saving the environment in various ways like using renewable energy, afforestation, etc.
