### 1. Objective(s) of the Programme:

- To collect blood donations: The primary objective is to collect a significant amount of blood from volunteer donors to support HAMM hospitals and patients in need.
- To promote blood donation awareness: Organize a blood donation camp to raise awareness about the importance of blood donation, its benefits, and the need for regular blood donations.
- To encourage B.Ed. students to become regular blood donors: Inspire students to become regular blood donors and make a positive impact on their community.
- To educate students about blood donation: Provide information about the blood donation process, its safety, and the benefits of donating blood.
- To promote community service: Encourage B.Ed students to participate in community service activities, such as blood donation, to develop their social and civic responsibilities.
- To foster collaboration between the college and healthcare organizations: Strengthen ties between the B.Ed. college and HAMM hospital to promote future collaborations and community service initiatives.

### 2. Detailed description of the events:

The Blood Donation Camp was organized by IQAC, Nazir Ajmal Memorial College of Education, Hojai, in collaboration with Human Care Society, Hojai, and Haji Abdul Majid Memorial Hospital, Hojai. The camp was held on 28th February 2025, at the Conference Hall of the college, starting from 11 A.M. onwards.

A total of 41 (350 ml per unit) units of blood were collected during the camp, with 41 volunteer donors participating.

The camp was inaugurated by Dr. Asish Saha, Principal of Nazir Ajmal Memorial College of Education, who emphasized the importance of blood donation. The IQAC team, along with volunteers from Human Care Society and Haji Abdul Majid Memorial Hospital, Hojai worked tirelessly to ensure the smooth execution of the camp. The event was a huge success, with an overwhelming response from volunteer donors.

The Blood Donation Camp was a valuable experience for the students of Nazir Ajmal Memorial College of Education, Hojai. It helped raise awareness about the importance of blood donation and encouraged students to become regular blood donors. The collected blood units will be used to support patients in need at HAMM hospital.

The college extends its heartfelt gratitude to Human Care Society and Haji Abdul Majid Memorial Hospital & Research Centre for their collaboration and support. We also thank our volunteer donors, IQAC team members, and student volunteers for their active participation and enthusiasm. The success of the Blood Donation Camp would not have been possible without their efforts.

### 3. Conclusion:

The Blood Donation Camp organized by IQAC, Nazir Ajmal Memorial College of Education, Hojai, was a resounding success. The event not only collected a significant number of blood units but also raised awareness about the importance of blood donation among students and the local community.

The camp demonstrated the college's commitment to community service and social responsibility. We are grateful to Human Care Society and HAMM Hospital & Research Centre, Hojai for their support and collaboration. We hope to build on the success of this event and make blood donation a regular activity among our students and staff. We believe that such initiatives will help create a positive impact on our community and inspire others to follow suit.
