Report: World Environment Day is celebrated on 5th June every year with a view to create a more sustainable world. The event has been led by the United Nations Environment Programme (UNEP) since its inception in 1973. The theme for World Environment Day, 2024 is *“Land restoration, desertification and drought resilience”*.

The IQAC of Nazir Ajmal Memorial College of Education, Hojai in collaboration with the Department of Environment and Forest, Kapili Valley range, Hojai organized an initiative to plant 100 saplings at Gauranagar, an adopted village of Nazir Ajmal Memorial College of Education, Hojai.

The program started with welcome address by Dr. Ashis Saha, Principal, Nazir Ajmal Memorial College of Education, Hojai. Dr. Saha welcomed all the dignitaries from the Dept. of Environment and Forest, Ajmal Foundation as well as representatives of Gauranagar Village, students and staff members of the college. After the welcome address, Mr. Bhargab Bhuyan, B.Ed. 2nd year trainee delivered the purpose of the meet. Mr. Anupam Das, Forest Range Officer, Kapili Valley Range, Hojai and Chief Guest of the event also took his time and addressed the audience. He thanked the college for organizing such an event and asserted that it is the duty of each and every individual to preserve and safeguard the

environment as it is significant for the existence and survival of all living beings. After Mr. Das' speech, Mr. Harun Rashid Choudhury, Assistant Manager, Ajmal Foundation took his time and appreciated the IQAC of Nazir Ajmal Memorial College of Education, Hojai and the Dept. of Forest and Environment for organizing such a wonderful initiative. He added that we should plant more trees and avoid deforestation. Then, Ms. Sonali Debnath, IQAC Co-Coordinator and Asst. Professor, NAMCE delivered the vote of thanks. She started by thanking the Dept. of Forest and Environment and the dignitaries from Ajmal Foundation for their presence. She also extended her heartfelt gratitude to the village representatives for turning up for the event. She then requested all the individuals present in the event to proceed for the plantation drive.

The day concluded with a plantation drive, during which students, staff members of the college, dignitaries from the Department of Forest and Environment, representatives of Ajmal Foundation, and members of the Gauranagar village community each planted a sapling for the cause of environmental conservation and a sense of responsibility towards nature.
